At Santa Anita

Arcaro Rides Five Winners

ARCADIA, Calif.—Jockey Eddie Arcaro was the hottest thing on the track here at Santa Anita Thursday. He rode five winners, including the last three in an eight-race card.

Arcara had accepted mounts in all but the second race. He connected in the third on Songbird ($9.00) after running out of the money on Mr. Drag in the opener; followed up with a win on Frogmorton ($6.30) in the fourth; had another loser in Lord Fauntleroy in the fifth, then scored with Galarullah ($3.10), Warhead ($7.50) and Timber's Son ($8.70) in the last three.

Details, entries and selections follow:

MIKE HAWTHORN
... killed on quiet road

Ex-Racer Hawthorn Meets Ironical Fate

GUILDFORD, England (AP)—Mike Hawthorn, world champion car racing driver, was killed in an automobile accident Thursday.

The death of the 29-year-old bachelor was one of the most ironic in sports history.

After facing death a thousand times on race tracks throughout the world, he was killed on a quiet road in southern England only a few weeks after he retired from racing.

Hawthorn won the world grand prix championship last season in Italian Ferrari cars.

Hawthorn was driving to London in his Jaguar and the Royal Automobile Club said it was involved with a truck.

"It completed a double somersault and then collided with a roadside tree," an official said. "Hawthorn's car was a complete write off."

RETIRED FROM RACING

Early this month Hawthorn agreed to act as deputy driver in the United States next year for water speed king Donald Campbell in trying for a record. When he agreed to deputize for Campbell if necessary, Hawthorn added "But I will not do any more motor racing."

Hawthorn was involved in a dozen accidents in a short career which carried him to tracks in North and South America, Africa and throughout Europe.

He was one of three bright young British drivers—two of whom now are dead. Peter Collins, Hawthorn's close friend, was killed in the German grand prix last Aug. 3. Stirling Moss is the surviving member of the trio.

Hawthorn recently had become engaged to marry London model Jean Howarth, 21-year-old green-eyed blonde.

Sugar Ray Angered About Movie Split

NEW YORK (UPI)—A breach between Sugar Ray Robinson and the International Boxing Club was threatened last night.

The middleweight champion angrily declared that if he had to sue the IBC and United Artists for certain fight-movie money, "then I'll never fight for Truman Gibson and the IBC again."

His declarations followed a conference with President Gibson of the IBC at IBC headquarters.

After the conference, an IBC spokesman reported that Sugar Ray had told Gibson he should fight either Archie Moore, light heavyweight champion, or Carmen Basilio, ex-middleweight ruler, as his next opponent.

MOORE FIRST

But Robinson said, "I told Gibson I wanted a shot at Moore's light heavyweight title in my next fight, and that I could defend against Basilio later."

The 38-year-old champion, one of the greatest all-round fighters in ring history, was incensed over the figures shown him Thursday as his share from the fight movies of his two title bouts with Basilio, Sept. 23, 1957, and last March 25.

He said he was getting 45 per cent of the net movie returns from the first fight and 30 per cent from the second one.

'RIDICULOUS'

But the figures they showed me were ridiculous," he asserted. "I won't accept them. And if Basilio does, he's silly. Unless they give me my rightful share, I'll bring suit against both the IBC and United Artists, the distributors."

Concerning his desire for a fight with Moore: Sugar Ray explained: "I won't be happy unless I win a third crown, and besides Archie is the hottest attraction in boxing today."

Robinson was welterweight (147-pound) champion before he won the middleweight (160-pound title. He tried to take the light-heavyweight (175-pound) championship from Joey Maxim on June 25, 1952, but he was overcome by the 104-degree heat in Yankee Stadium and lost on a 14th-round technical knockout.

Durelle To Quit Boxing?

LETHBRIDGE, Alta. (CP)—Yvon Durelle of Baie Ste. Anne, N.B., British Empire light-heavyweight boxing champion, said in an interview Thursday that he plans to quit boxing this fall.

Durelle said his fight this fall with Archie Moore, world light-heavy weight champion, likely will be his last unless he should win the title. Even if he wins, the fisherman added, he will quit boxing soon.

Durelle said he plans to hire new trainers and handlers for the next Moore fight and will dismiss everyone but manager Chris Shaban.

Durelle, who lost to Moore in a title fight in Montreal Dec. 9, said he is trying to hire Charlie Goldman, the former trainer of Rocky Marciano.

Durelle was in Lethbridge for a sports banquet.

Ted Finally Meets 'Boss'

MANCHESTER, N.H. — Boston Red Sox slugger Ted Williams was introduced for the first time to Mrs. Casey Stengel at a dinner held in his honor recently.

He brought down the house with "well, I'm glad to have finally met the boss of this outfit."

Mounties Lost Less With Indemnity Pay

VANCOUVER (CP) — Vancouver Mounties of the Pacific Coast Baseball League lost some $4,700 less last year than they did in 1957, thanks to the westward shift of the major league Giants and Dodgers.

The club's profit and loss statement, to be presented to stockholders Jan. 28, shows the loss for the season was $1,667, compared with $6,363 in 1957.

President Nat Bailey's report says the difference was a $50,000 indemnity received from the two National league clubs for their invasion of PCL territory at San Francisco, Los Angeles and Hollywood.

The indemnity also permitted the Mounties to reduce by $31,000 the debts the club assumed when it purchased the franchise from Brick Laws after the 1956 season.

It also eased the blow of reduced crowds—down to 246,000 last year from 306,000 in 1956.

Soccer Final Still Jinxed

Weather has caused postponement of the B.C. high school soccer championship game for the third time this season.

The championship game between Victoria High School and King Edward High School, scheduled for Vancouver Saturday, has been cancelled because rain has made the pitch unplayable.

The sudden-death game was postponed twice before Christmas because of weather conditions.

Here's why Rambler is a safer car

Single Unit construction is the key to Rambler's extra safety.

In ordinary cars, the body and frame are separate units, bolted together. Only the thin shell of body metal protects the passengers.

Single Unit construction is exclusively different. The Rambler body and frame are both part of one solid all-welded unit. 9,000 rugged welds make Rambler a stronger, safer car!

Rambler puts solid box girders on the sides, front and top of each car. You're literally surrounded with a cradle of steel.

See your Rambler dealer today. Ask about Rambler's extra economy and high resale value. Discover the strength and durability that make Rambler the best, smoothest riding car you can drive.
